9. **What If We Don't Get Well?**
10. **The Church As A
Healing Community**
11. **Prayer, Medicine and
Sacraments**
12. **Spiritual Direction**

The International Order of St Luke the Physician offers this new curriculum to its members and the church. It is our hope that chaplains, convenors and OSL members will commit themselves together to a deepening journey of knowledge, wisdom and experience of God's healing work with the whole creation through our Lord Jesus Christ. Having studied the **Learning Resources for Nurturing Your Christian Healing Ministry** contained in the manual **Going Deeper**, a chapter or group of chapters is invited to sponsor a weekend (or longer) event to work together with leadership from the School of Pastoral Care to provide an experience of further development of the curriculum materials in an interactive and practical learning event.

A Sponsoring Group would be responsible for booking a site for the event, collaborating with SPC regarding leadership and deciding on topics to be presented. The Group would be responsible for travel expenses and food and accommodations for the leaders. In addition a \$10.00 charge is levied for each participant to help defray the costs for the Central Office of the School of Pastoral Care. An honorarium may also be given to the presenters.

For full information on how to set up a Going Deeper Weekend refer to the Manual on the SPC Website at www.schoolofpastoralcare.net/gd.htm
